CAPABILITY STATEMENT

Connecting Nigerian agriculture to reliable markets.

USQUARE GENERAL ENTERPRISE LIMITED is a Nigerian agribusiness company engaged in agricultural commodity sourcing, aggregation, market linkage, logistics coordination, agro-input distribution, and export facilitation. We work across agricultural value chains, connecting producers, cooperatives, aggregators, processors, government agencies, development partners, and commercial buyers through structured supply systems and efficient market access solutions.

Our operational focus is building reliable agricultural supply chains that improve producer access to markets, while giving buyers dependable access to quality commodities and agricultural inputs.

CORE CAPABILITIES

Agricultural Commodity Aggregation

Sourcing and aggregation of agricultural commodities from farmer groups, producer clusters, cooperatives, and local aggregators across Northern Nigeria.

Sesame Seeds • Soya Beans • Ginger • Hibiscus Flower • Groundnuts • Maize • Sorghum

Agro-Input Supply

Supply and distribution of production inputs to farmers, cooperatives, and organized production programmes.

Quality Seeds • Fertilizers • Herbicides • Pesticides • Crop Protection Products • Farm Tools & Equipment

Farmer Mobilization & Market Linkage

Supporting producer aggregation, market access, and supply-chain coordination.

Farmer Groups • Cooperatives • Outgrower Programs • Commodity Producers

Logistics Coordination

Product Collection • Warehousing Coordination • Commodity Evacuation • Inland Transportation • Distribution Planning • Delivery Coordination

Export Development

Commodity Sourcing • Export Preparation • Product Conditioning • Quality Verification • Documentation Coordination • Buyer–Supplier Linkage
