

CAPABILITY & CREDENTIALS SUMMARY

Agricultural supply, aggregation & export coordination.

USQUARE connects producer networks, domestic buyers, and international markets through agro-input supply, commodity aggregation, quality coordination, warehousing, logistics, and export support.

Corporate standing

Registered entity: USQUARE General Enterprise Limited | CAC registration: RC 9144380
Tax ID: 2623600809989 | SCUML registration | NEPC registration | Head office: Abuja, Nigeria

Core capabilities

1. Agro-input supply: seeds, fertilizers, plant nutrition, crop protection, tractors, and machinery.
2. Commodity sourcing and aggregation: soya beans, sesame, ginger, hibiscus, and groundnuts.
3. Supply-chain coordination: warehousing, stock visibility, inland haulage, and delivery records.
4. Export facilitation: documentation coordination, inspection support, and port handover.

Commercial approach

Final availability, volume, specifications, packing, inspection, pricing, and delivery schedules are confirmed for each contract. Domestic delivery, FOB Lagos, CIF destination port, and other terms are agreed with buyers.
